Dear Inspector Arnold,

I am in receipt of your letter dated November 26, 2009 with the enclosed Public Complaint Report, of which I attach a copy.

A phone call was made to you yesterday at 778-571-7476 for the purpose of having you fax to me the letter of Complaint of October 21, 2009, which you refer to in your letter. Further, I also wanted you to please fax me the complete Public Complaint Report which appears to contain 6 pages and you have only sent me only page 1 and 2 of 6 pages.

Would be so kind as to fax me the requested documents at 604.685.6518.

I would also like your fax number because I noted that there are errors of facts in the Public Complaint Report and I would insist on correcting the errors.

I await to hear from you at your earliest convenience, without any delays.

Yours truly,

Anthony Jasich LL.B  
Barrister & Solicitor
