Dear Sir:

Re: Police Investigation
In Re Martin Keith Wirick and
Jonathan Oldroyd

I have not as yet received an acknowledgement of my letter to you dated the 18th of August, 2005. In the event that you did not receive my letter I enclose a copy sans attachments for your records and your perusal.

In researching my records, which are not exhaustive, I found the following members of the bar as they then were had also misappropriated client trust funds, viz:

Bilhar Singh Koonar
James Edwin Marks
Jennifer Jew-see Tse
Jill Marie Black
Michael Custance
William John Graham

I was hoping you would be an improvement on your immediate predecessor as well as some of your other predecessors. you are talking the talk but from where I sit you are not walking the walk.

I do hope you will not disappoint me and reply to my letter at your earliest convenience.

I presume you will be addressing the Law Society Convention on Friday, September 23, 2005. I am anxious to hear what you have to say about the Legal Profession.

c.c. Solicitor General.

yours truly,

A. Jasich
